Fear back in Europe
trapped Russia. Explain
Russia is trapped again?
how?

Ans 1-

Introduction

"In the global world,
problems are global."

Russian-Ukraine war is
not only danger for both, but
it has possessed threat to Europe
as well. Due to this, fear is
increased in Europe and that
fear has trapped Russia again.
This would be danger as globally.

2-

Fear back in Europe

"Fear is force that
pushes one to act
against it."

Russia-Ukraine war is
responsible for fear in Europe.
After 1991, USSR broke into 15
states. According to Fukuyama,

"Europe is on peace
holidays."

OR

"The end of the history"

It means, USA would be sole power. But, since the beginning of 21st century, Resurgence of Russia began that created fear in Europe. Russian attack on Ukraine created a question:

"Who is next?"

Finland, Poland, and Estonia deemed their turn then.

3- How Russia is trapped again?

Russia was made to attack on Ukraine. Hence, so onward Russia is trapped once again.

a) Russian attack on Ukraine

Russian attack on Ukraine was due to rivalry between

Russia and NATO

Russia took 'multiple steps to affect Ukraine such as:

- i) \$5 bn bailout package stop
- ii) stop fuel supply to Ukraine

Russia attacked on Ukraine with more than 2000 troops.

Break away 4 regions, Dombask, Luhansk, and Kherson. Thus,

this attack resulted fear in Europe.

About 6919 people killed and more than 11,000 wounded. (N Report)

Annexed by Russia ~2014

• Russia - Ukraine Territory

b)

Revival of NATO

Russian attack on Ukraine strengthened NATO. According to Article - 5 of NATO Charter, "Attack on one member, would be attack on all members."

Finland and Hungary request to join NATO is accepted. Now, Ukraine also wants to be part of NATO - Pact.

i)

Increased military defence for NATO

Onward 2000s, Georgia was attempted to be a part of NATO. 2012 onward, Crimea wanted NATO membership.

Due to this, Russia became aggressive and attacked them. NATO member countries increased military and defence budget.

Consensus among NATO countries gave threat to Russia in return.

"When Russia being attacked, there would be only peace in Europe and other parts of the world."

~ (Chief of NATO)

ii)

Increased military support to Ukraine

Almost 26 countries of NATO supported Ukraine against Russia. Due to this attack, Kherson was taken back. NATO started exercise against Russia in every aspect of power.

iii)

Economic loss of Russia

Due to Russian-Ukraine war, Russia once again trapped in economic loss. Due to focus on only defence troops, food crisis started in Russia. Russia is the world's largest wheat producer in the world. Despite, its economy is caught in suppression.

4-

Recommended measure for

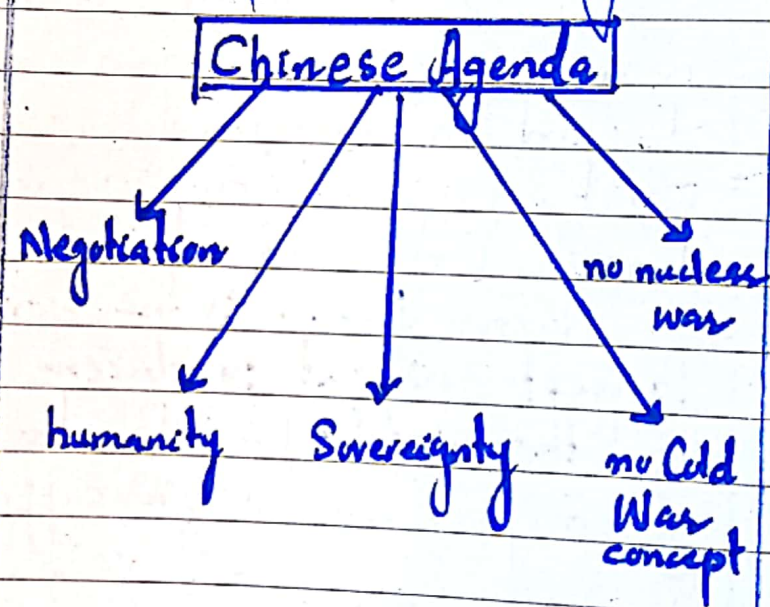

Russia to bring stability

Due to economic loss, Russia needs to take some steps to bring peace in the region. China is leading as a global leader - it

has brought 12 Agenda before Putin. Few points of agenda are as follows:

- i) Respect sovereignty
- ii) Cold War concept must be ended
- iii) Avoid nuclear war
- iv) Protect humanity
- v) Negotiate in office on one table

This would be beneficial for both Russia and Ukraine to maintain stability in the respective territory.

5-

Conclusion

"The world must avoid nuclear war."

War in the world has always resulted devastation. Russian-Ukraine war strengthened

NATO to be aggressive
against Russia. This has
trapped Russia and in
economic loss. Role of
China would be beneficial
to bring regional stability.
