

Paragraph #1

There are various negative effects of social media on youth, chief among all is relationship distance. If we compare with the past, now a days our youth have very less time for their family. They spend a lot of time on social media that they don't have time to spend with family or people around them. The need of the time for youth is to spend quality time with their loved ones.

Paragraph #2

Independence Day is a national holiday in Pakistan on August 14. Independence Day is celebrated to memorize the sacrifices of our ancestors to give us a country, where we can live independently. Rights of Muslims were neglected and abandoned by Hindus and British in Sub-Continent. They were spending the life of slaves. Quaid-e-Azam Mohamud Ali Jinnah along with other Muslim leaders worked day and

night for a separate homeland.
Hence, Pakistan came into
being on 14th August, 1947.

Paragraph #3

Health is wealth. As long as
we remain healthy, we do
not realize the importance of
health. As we fall ill, we can
understand/know the importance
of health. A healthy man
can enjoy his life. A
sick man can enjoy nothing.
We should take care of our
health.

Paragraph #4

Hardwork is the key to success.
By working hard, we can
achieve our goals and
get successful in our lives.
Hardworking people always
make history while no
one knows the lazy people.
Hence, hardwork can make
a man successful.
