

## Assignment :-

If the world does not attract you, if your eyes are filled up with tears from the fear of Allah, or the envisagement of hell fills your heart with trepidation, if you worship Allah the way it should be done, if goodness pulls you in, and your feet stop you from walking the way of the mischief and sin, then you are virtuous. Some are virtuous and some become virtuous. Being virtuous is a blessing. While becoming righteous is a continuous process of self purification and struggle. It takes time and one has to bear pain and sufferings.
