

Q1 - What are techniques of attack of TTP? Is there a revival of TTP after Taliban government? What are causes of revival of TTP?

Ans 1- Introduction

“There is a threat to the global world of rising terrorism.”

Pakistan is not only facing the threat of terrorism, but it is an international problem. Post 9/11, the USA led a campaign against terrorism. But, after revival of Afghan Taliban government, TTP's resurgence began. Their techniques of attack were also increased and it has become a threat to the world.

2- An overview of rise of TTP in Pakistan

In 2001, the USA took control over Taliban government and Taliban government was toppled down. Many were killed, wounded, and captured. Other took shelter in the western border of Pakistan, FATA. But, in 2002 revival of Taliban began and the USA's victory was ended. Moreover, in 2015 and 2016, Pakistan did operation - **'Zarb-e-Azab'** - a successful operation against terrorism. But, since the beginning of the 21st century, revival of TTA increase revival of TTP.

3- Techniques of attack

Following are techniques of attack of TTP.

a) Hide, hit, and run

TTP has a number of techniques of attack

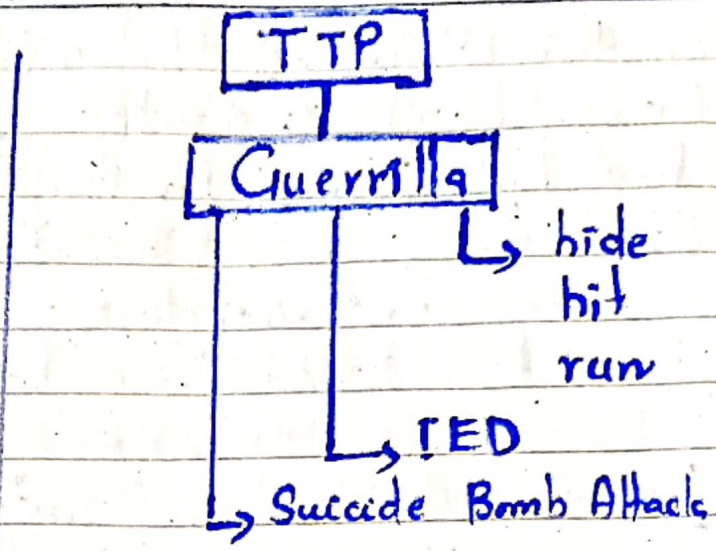

in the form of 'Guerrilla'
Among which is 'hide,
hit (and) run'. In North
Waziristan, South-Waziristan,
Khyber, and merged
districts, Waki Marwat.

b) Improvised Explosive Devices

Along with hide,
hit, and run, IED is
another way of attack. Several
IED Blasts took place in
merged districts Bannu
and DI Khan. In a
recent Bolan Attack, in
Balochistan, 9 lives
were killed.

c) Suicide Bomb Attack

This is a recent
technique from the past
20 years. September, 2014;
Peshawar tragedy is
the biggest paradigm
of it. Moreover, many
attacks were taken place
in Dera.

4- Revival of TTP after
Taliban government

Taliban government in Afghanistan resulted revival of TTP in Pakistan. TTP's victory encouraged TTP in Afghanistan. Thus, number of attacks increased day by day. There are several causes of attacks of TTP. Following is description of it:

Causes of attacks of TTP in Pakistan

i) Revival of TTA in Afghanistan

After August 2021, when Taliban government took control of Afghan lands, revival of TTP began. Almost 7000 prisoners were released, among which 1200 were TTP. Hence, this encouraged TTP.

ii) TTA and TTP is same ideology

TTA and TTP thinks it "Jihad" against USA and NATO countries. Hence, this put both of them in the same ideology.

iii) TTP has found the safe heavens havens

TTP once again has found the safe heavens in eastern-Afghanistan. Paktiya, Paktika, Nuristan are linked with Pakistani

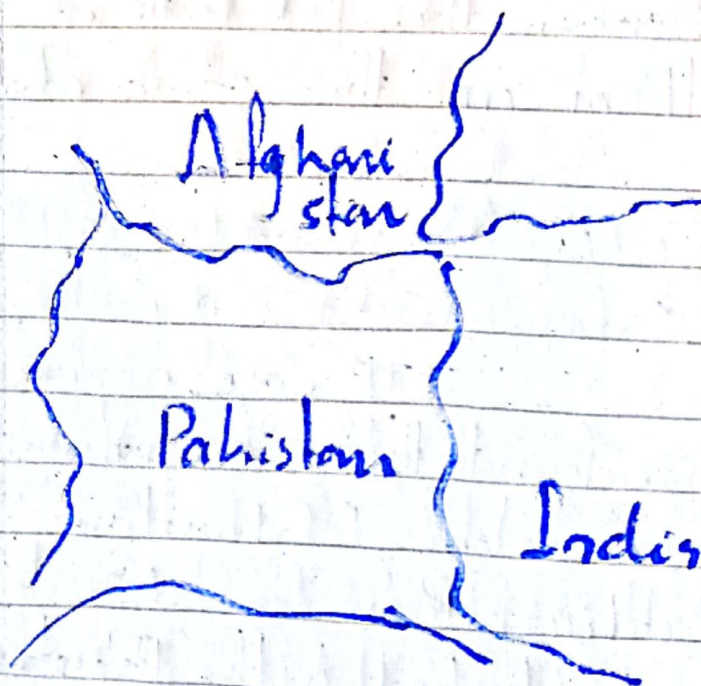

border, hence, revival
of TTP is a strong revival

iv) TTP encourages victory
of TTA

On the victory of
TTA, TTP has shared
own view on the victory
of TTP.

“Victory of TTA is
the victory of
Muslims. Ummah.”

This not only encouraged
TTP, but once again
TTP has found the position
in ex-FATA.

I

Case study in the context of Pakistan

In February alone, TTP had attacked 19 times. This was against human life and as a result 23 were killed and 79 people got wounded.

II

Why there is number of rise of terrorism in Pakistan

In Pakistan, 265 religious seminaries (Madrassah) are established. But, only 250 are registered. According to a recent report it would be a threat to Pakistan and hence, number of attack would be increase.

5. Conclusion

"Strong unity is only a way out"

Pakistan is not only
facing a threat of terrorism,
but all countries are also
under threat of terrorism.

Techniques of attacks of
TTP are increased day
by day. Unity against
terrorism would be a
solution of peace.
