Assignment: Write a paragraph by giving reference

Topic: Nuclear weapons are challenge to world peace during the 21st century.

Sentence 1. (topic sentence)

Nuclear weapons are the most dangerous weapons on earth. ^{Sentence 2. (explanatory)}

One can destroy a whole city, potentially killing millions and jeopardizing the natural environment and life of future generations through its long-term catastrophic effects. ^{Sentence 3. (Argument)} The Nuclear Non-proliferation Treaty (NPT) has kept the nuclear nightmare at risk for four decades. ^{Information. Sentence 4.} According to the author, the five NPT-licit nuclear power states (US, UK, France, China and the Russia) have disregarded NPT obligations to disarm while three nuclear armed state lie out the NPT: India, Pakistan, and Israel; (If you want the peace of the Deads, prepare for the nuclear war, Ramesh Kumar, Dec, 2011).

Argument: 2 Sentence 5.

Substantial progress in reducing the number of war heads. ^{Example / Reference Sentence-6} However, the trend is still acute with a combine stockpile of more than 20,000 nuclear weapons; of these, 5000 warheads are launched ready and 2,000 are in state of high operational alert. ^{Conclusion} Hence, we will either achieve nuclear abolition or have to live with nuclear proliferation and die with the use of nuclear weapons.
