Women universities are agent to change.

Thesis Statement:

Women universities are prospect of the flourishing of the society, as it would impart education, skills & will make women stand equally along-side to men which will escalate the development of the society at all levels. Such as: international, national, & individual.

"Is Pakistan ready for digital revolution"

T.S:

Pakistan doesnot meet the salient criteria for procurement of digital revolution, as it is grappling with issues of dissonance among elite factions of society, frequent power shift, delay in releasing of funds, & lack of domain knowledge.

~~The Fool~~

"The fool speaks & the wise listens"

T.S: Speaking and reacting immediately is need of the hour sometimes, still improvised reactions can make one fall into the trap of embracement & could affect the overall personality image of the individual.
