

China-pakistan Friendship boost to Pakistan dwindling economy

China-pakistan friendship has positive positive impact on Pakistan's economy.

Under the CPEC, Pakistan's economy

significantly improved.

Pakistan exports has improved by signed Free trade agreement (FTA). In 2002

The trade between China and Pakistan was only \$1.13b, but in 2018 the trade increased to \$12b.

Due to CPEC Job opportunity increased in Pakistan, around about 46500 Pakistani employed in different projects of CPEC.

So we can say China is our true friend, China supported Pakistan in every level, China invested more in Pakistan economy. Around about 28 projects worth \$18.8b have been completed.
