  - (iv) The morgue is redolent \_\_\_\_\_ the odor of deceased individuals

## Panchvchi

That familiarity, produces neglect, has been long observed. The effect of all external objects; however, great or splendid, ceases with their novelty. The courier stands, without emotion, in the royal presence. The music tramples under his foot; the batteries of the spring, with little attention, to their fragrance; and the inhabitants of the coast dart his eye, upon the immense difference of waters, without awe wonder or terror.
