b) Existence of disparity between male and female.

c) Lack of public toilets for women.

d) A common activity of harassment and gender based violence across Pakistan.

e) Restrictions in women's labour.

f) Less focus on women's literacy.

g) Extreme religious opinions on women's mobility.

h) Patriarchal system and feudalism is threat to women's mobility.

i) Popularity of "honour" slogan.

4- Negative implications of issues of women's mobility

a) Less progress in economic sphere of Pakistan.

b) Impacts on the future of young as women builds nation (means بروزی کی بنیاد).

c) Mental ill of women's physical health.

Very generic points, be more specific to make them self explanatory.

These are two points, also very important

- d) Causes gender crimes and negative implications on social norms
- e) Effort to promote gender's mobility in Pakistan
about? ←
- a) Promote digital technology to remove unconsciousness
- b) Safe policy against women's harassment and ensure law ← REPHRASE
- c) Promote women's exclusive transport
- d) Improve women's literacy ratio ← why?
- G Conclusion

This is asked in topic so it should comprise about 40% of the essay, 40% to expanding the issues and their impacts, 10 to intro and conclusion each

Most of the outline is very generic and also, it misses the pertinent points.
