Passage (2004)

① What is diff b/w our life and the life of animals?

ANS: It is said that this is what distinguishes us from the animals and that they, unlike us, live always for and in the movement and have neither hopes nor regrets.

② What is result of human anxiety?

ANS: As a result we find many grounds for melancholy and foreboding. We are fearful from our lives.

③ How can we make our life tolerable?

ANS: We could let future

look after itself and be content to enjoy the pleasure of morning breakfast, the brisk walk to the office through are often spoiled for us. We should live happy.
