

What does Pakistan need the most:

Charter of economy or charter of Democracy.

Stance: Charter of Democracy

Outline:

• Introduction

• Thesis statement

• Crunch Paragraph

• How Pakistan need Charter of Democracy?

a) Democracy makes a balanced Government.

b) Democracy decrease dispute with other nations

c) Democracy decrease political instability

d) Democracy increase economic freedom

e) Democracy decrease inflation

Instead of, need of charter of Democracy,

Pakistan also need charter of economy:

- a) If economy is balanced then Govt is also balanced
- b) Economy also decrease disputed with other nations, If you have money you do everything
- c) Political instability has no relation with Democracy, If economy is good then country will be politically stable.
- d) If economy is stable then no need of economic freedom.
- e) If economy is high, then there is no inflation.

Pakistan's need charter of Democracy

more than charter of economy:

- a) If there is democracy in Pakistan, than everything will be stable
no need of ^{charter of} economy.

b) Economy creat many problems with other nations, whilst democracy doesn't have such problems

c) If country has well economy but not Democracy, then there is no rule of law, and the country is Politically unstable.

d) No, economy can't complete the lack of democracy, because democracy means equal rights

e) Inflation can be payed by high class but middle class cannot complete their needs of life because of inflation.
