

Fostering BRIC among nations:

BRIC is a combination of Brazil, Russia, India, and China and this group is fostering among a nation. 25 countries have already applied for it and 50 other nations are looking forward to it. Its main aim is to bring on one page and develop relationship with one another. Furthermore, it may also foster economic development among nations. BRIC ~~represent~~ introduced its own currency which will be used for trade purpose among the nations. Actually, it wish to dismantle the dollar and reduce the influence of USA on world's countries. Therefore, BRIC is fostering among nations.
