The violation of fundamental rights including the right to due process, to freedom of association and speech across the country, is now beyond force. There is not even the pretence of adhering <sup>to the</sup> law, only a relentless determination to erase all dissent through whatever means can be conjured up to illegally deprive recalcitrant individuals of their liberty, and to silence them. Consider the travails of lawyer and vocal critic of enforced disappearance, Imran Haziq Mazari. Her 'original sin', a fiery speech made at a PTM rally in Islamabad, has been used to file three FIR against her. She was first arrested on multiple charges including sedition, rioting and dacoity, etc by law enforcement personnel who reportedly barged into her residence in the early hours without an arrest warrant.
