Name: Kashaf Raheem          Batch: Rwp OB-S2
LMS-ID:   29611

Abu Ben Adhem woke up and saw an angel in his room. Not getting scored he asked the angel about his presence. The angel was writing the names of people who love Allah and Abu's name was not on the list. Abu prayed to God to write his name as one who loves ~~this~~ his fellowman. The next night, Abu's name was on the top of the list the angel was writing previously.
