Q

A strong political system needs a very strong political economy or a charismatic leader?
Discuss

Answer

Introduction

"leadership style leads to the world."

(Barack Obama)

A strong political system needs a strong charismatic leader. In fact, leadership qualities lead to strong economy. Therefore, a strong political system always needs an intellectual leader.

2- A strong political system: an overview

"A strong political system is an outcome of leadership skills."

(Aristotle)

A strong political system is a frame work of political environment. But, its essence lies in leadership.

• A good leader makes a good political culture.

(Toguer Hussain)

Therefore, a strong political system is founded by a great leader.

3- The World's charismatic leaders: a brief account

The world has given birth to intellectual leaders. In fact, such leaders have uplifted their political system.

"Turkey got rise in the regime of Recep Tayyip."
(- Toguer Hussain)

Like Turkey, Russia also
got rise after the fall of the
USSR.

"Russia is back."

(-Vladimir Putin)

Moreover, Trump has introduced
strong nationalization to uplift
the US as a great leader.

"America first,"

American first,

and

American products

first."

(-Trump)

Therefore, the world is always
rise by charismatic leaders.

4- Features and policies of charis-
matic leaders in developing
strong political system
A charismatic lead-
er has following policies:

a) To develop public trust
 A charismatic leader
 always win public trust. By
 getting public trust & leadership
 gets essence.

• Tayyip Erdogan
 is become the popular
 leader among
 his public.

(-Taqiun Hussain,
 ndey Turkiye, 2018)

Hence, a charismatic leader
 gets public trust.

b) To promote 'Nationalization'
 A charismatic leader

favours national policies for the
 welfare of his political system.
 The US got revived in its
 strong political culture during
 Trump policies.

• Trump's nationalization
 reduced the US trade

deficit."

(CNN - Trade wars, 2022)

Therefore, charismatic leaders support our nationalization.

c) To develop strong diplomatic relations

Moreover, charismatic leaders develop strong diplomatic relations. In fact, all strong political systems in the world have strong diplomatic ties.

"China is leading to the global world in diplomatically."

(- Farid Bani,

China's rise, 2010)

Thus, a charismatic leader always pursue strong diplomatic relations.

d) To make economic growth as a tool of strong political culture

charismatic leaders focus on strong economy to make political system stable.

In fact, leadership skills help in strong economy.

'Tayyip Erdogan's policies for the national rise got out of spine of IMF.'

(-Turkiya's resurgence by, 2022)

Therefore a charismatic leader let its economy rise.

e) To lead intellectual development: to improve educational institutions

Furthermore, a charismatic leader leads to intellectual development for strong political system. In fact, education

has power to lead the world.

"Education is the powerful
tool to reshape
the world."

(- Nelson Mandela)

Therefore, education is used
as tool of intellectual develop-
ment.

f) To maintain peace in the
world

Moreover, a charism-
atic leader advocates peace.
By maintaining peace, a strong
political environment can be
remained stable.

"Pakistan has always
supported international
peace."

(- Munir Akram)

Therefore, a charismatic leader
maintains peace for strong
political system.

" A strong political system is followed by a charismatic leader."

(- Nelson Mandela)

A strong political system needs a strong charismatic leader. In fact, the world growth is led by leadership skills. Therefore, a strong political system always need a charismatic leader.
