

Q Debate of recognition of Israel is resurfaced in Pakistan. Discuss its positive and negative impacts.

Answer Introduction

"Israel is unconstitutional state."

(- Liaquat Ali Khan)

Debate of recognition of Israel is reshaped in Pakistan. In fact, Pakistan has not accepted Israel yet. However, chance of recognition of Israel has multi-dimensional positive and negative implications on Pakistan. Thus, debate is prevailing in Pakistan.

2. Recognition of Israel: an Overview

"Formation of Israel is threat to your play."

(- Liaquat Ali Khan)

Israel came into being on 14th May, 1948. Major countries including the USA and the UK accepted it. However, Pakistan did not accept it due to its support for Palestine.

"Pakistan opposed the presence of the partition of Israel in the UN."

Therefore, Pakistan could not accept Israel.

3- Positive implications of recognition of Israel on Pakistan

Following are positive impacts:

a) Strategic benefits

Pakistan has following strategic benefits:

i) Access to modern technology

Pakistan will get benefit of technology. In fact, modern technology is need of Pakistan.

"Israel will provide Tel Aviv's water launching technology to defend water tech conflict."

← (AI- Jazour, 2013)

Thus, Pakistan will get access to technology.

ii) Better defence system

Pakistan will also get access to better defence system. Military hardwares will be provided to Pakistan.

"Pakistan can defend its north-western borders with Afghanistan and can defend

insurgency in
Balochistan."

(Toqeer Hussain,
Israel world, 2022)

Thus, better defence system will
be provided to Pakistan.

b) **Diplomatic benefits**

Pakistan will also
get access to diplomatic benefits.
In fact, Pakistan has bleak relations
with India and crumbling
relations with the US.

"The US is major
pro-Israel
and India is supporter
of Israel."

(Toqeer Hussain
Israel world, 2022)

Therefore, Pakistan will get better
diplomatic relations.

c) Economic benefits

Moreover, Pakistan will also get economic opportunities. In fact, trading system will be improved.

"Diplomatic relations with India will lead to regional growth of economy for Pakistan."

(Al-Jazeera, 2023)

Thus, Pakistan will get better trading system.

4- Negative implications of recognition of Israel on Pakistan

Following are negative implications:

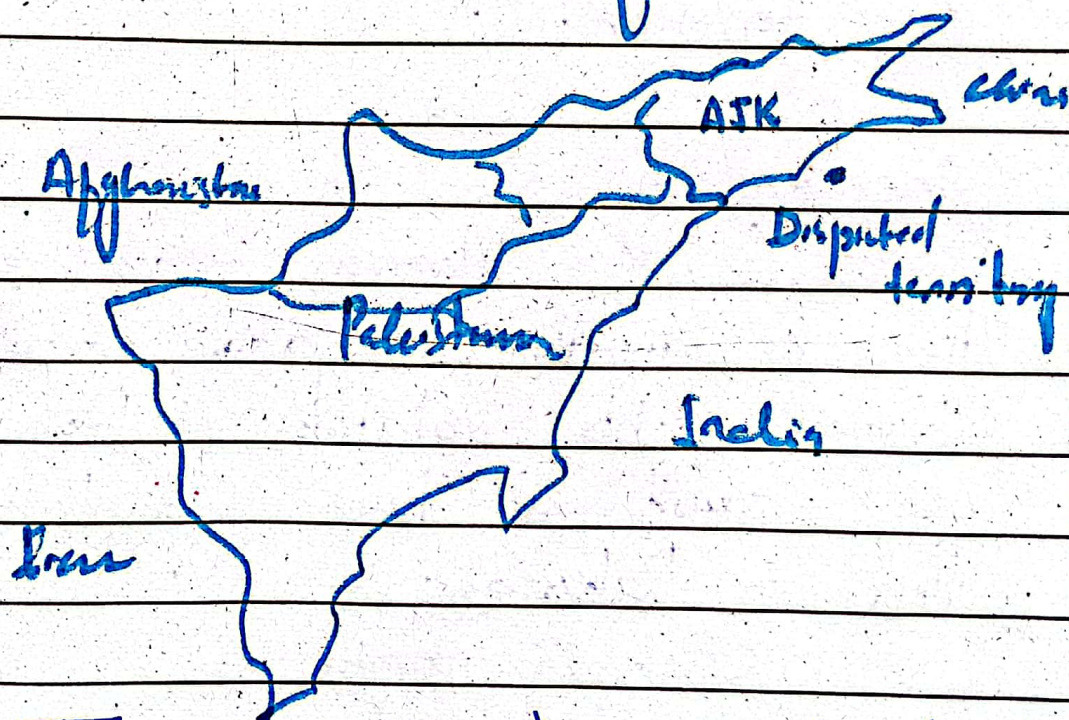

a) Negative stance on Kashmir

Recognition of Israel will lead to negative stance

on Kashmir. Kashmir is an integral part and disputed territory between India and Pakistan.

"Acceptance of Israel will be a negative image for Pakistan to surrender its claim."

↳ Faisal Bari, status of Kashmir, 2020

Therefore, recognition of Israel will have a negative stance on Kashmir.

b) Chance of surge in religious terrorism

Further, religious terrorism might get strength. In fact, religious scholars will oppose it.

"Religious scholars might lead to a huge protest."

(- Tariqul Hussain)

Hence, it will also lead to religious terrorism.

c) Increase of social reaction

Moreover, social reaction is another negative impact. Human rights violation in Palestine may cause a huge social reaction in Pakistan.

"Pakistan might face threat of social negative on acceptance of Israel."

(- Al-Jazeera 2013)

Therefore, Soviet reaction is another challenge to Pakistan.

d) Threat to Pak-Iran relations

Pak-Iran relations might get affected. Recognition of Israel will lead to Pakistan away from Iranian block.

"Israel has major concern in the Middle East to isolate Iran."

(Faisal Bari, *Conflict in the Middle East*, 2012)

Hence, Pak-Iran relations might be affected.

e) Further increasing challenges from Afghanistan

Recognition of Israel will put oxygen in Afghan

terrorism. Pakistan is vulnerable to Afghan threats.

"Recognition of Israel will encourage Afghan scholars to protest traditionally against Pakistan."

(- A. H. Jaziri, 2023)

Therefore, Pakistan will become vulnerable to Afghan threats.

5-

Conclusion

"Recognition of Israel is threat to Islamic world."

(- Zafarullah Khan)

Recognition of Israel by Pakistan is ongoing debate. Resultantly, Pakistan might be affected by positive and negative impacts on recognition of Israel. Thus, debate of recognition of Israel is reshaped in Pakistan.
