

Q#2

Cold Weather: A  
Stimuli to Work Hard~~In~~

In northern Europe, the effects of cold are positive, because it is a hurdle. This hurdle motivates them to overcome it. The hurdle ~~in~~ pushes ~~them~~ <sup>them</sup> to work hard. It is because in winter they struggle to keep themselves warm. For this purpose they even bear ~~the~~ <sup>the</sup> pain of cold outside in hope of ease. After that they take good amount of food to recover their energy. However, ~~hot weather makes~~ in tropic countries, hot weather makes man lazy. It is because he does not work hard to fulfil his needs. And life in summers is easy. But people of northern Europe also feel easy in summers. ~~It is because it makes~~ <sup>And</sup> even hard working people <sup>become</sup> sluggish.
