The Glory of loving fellowmen

Adhem instantaneously woke up from a dream and saw an angel in his room - writing something. He questioned him about the latter rather than being frightened. The angel responded that he is jotting down names of ones who love God. Adhem, when did not find himself amongst those, prayed to be written as affectionate towards his fellowmen. Next night, the angel appeared again. He showed Adhem's name at the top of list of those who were blessed with God's affection.
