

Saudi-Iran Reapproachment:-

Introduction :- After waging ideological war, Saudi Arabia and Iran are going to establish diplomatic ties. Both countries were in conflict for over 50 years. This rivalry was the result of various sectarian conflicts such as of Sunni and Shia. With the establishment of Shia government in Iran in 1979, the K. Saudi Arabia ~~started~~ started resistance, and opposing the government. Resultantly, both countries entered into war (proxy war) in different countries like Yemen, Iraq, and Syria. Proxy war created a favorable environment for militant groups. However, the conflict is recently resolved by China, mediated by China. Iran and KSA are opening embassies and showed greatly interest in rapprochement.
