

To: Madam Mashal.

Sub heading: Nuclear challenge

to world peace during 21st century

Topic Sentence: The aggressive war that Russians Federation is waging in Ukraine has challenged to world peace during 21st century.

Explanation: The modernization of weapon may lead the world toward destruction.

Supporting Point: Despite of having a lot of treaties few countries spend their huge budget in buying nuclear weapon.

Example:

North Korea used missile after US submarine arrive in S. Korea.

(Al Jazeera, 24 Jul 2023)

Mayor Sergei Sobyanin has said, "A skyscraper in Russian's capital Moscow has been attacked by a drone for second time in two-day (BBC, 2nd August)

Conclusion: Without weapon, world live in peace and there is no arm race. We should eliminate weapon in order to promote peace.
