An Angel message to servant of God

Abu Ben Adhem, a pious and calm man one night saw an angel in spiritual environment, he ^{was} enlisting some names. Abu asked him that what is he writing. Angel replied in sophisticated way that he is writing names of those who are close to Allah, But he is not included in list. Angel appeared another night again with list of those. He repent to Allah and trying to close relationship with him. Angel appeared one night again with list in which Abu was positioned on top. Abu pray was accepted.
