Subject: Criticizing Fashions in Dress.

Respected Editor,

I hope you are doing well. I want to draw your attention towards the ongoing issue of fashions in dress. Your newspaper "The Pakistan Times" is very famous in the country that's why I choose this platform for effective action.

I want to say that the Pakistanis are promoting western style in their dresses. Furthermore, the youth are inspired by the western dress, in schools and universities they are wearing western

style dresses in the name of fashion instead of wearing cultural dresses, "Shelwar kameez". Moreover, this type of fashions have a negative impact on the mentality of the immature minds. ~~In~~

In addition to this, vulgar fashions in dressing promote pornography in the Pakistani societies which further increases the rape cases in the whole country. So, we need to take preventive measures and to take legal actions to overcome this situation. We should aware the Pakistani people through print and electronic media about dressing sense.

I request you to publish some articles in your newspaper regarding this issue. If you consider my request then I will be thankful to you. Otherwise I will take another legal action against this issue in the internal affairs ministry and court.

Yours Sincerely,
X . Y . Z
