ACADEMIC PARAGRAPH STRUCTURE

(Sub-heading: Nuclear challenge to world peace during 21st Century)

Topic Sentence	Nuclear weapons pose a challenge to world peace in the 21 st Century more than ever before.
Explanatory or Reasoning sentence	With time, the number of states possessing nuclear technology has increased. However, many countries are pursuing nuclear capabilities for their own defense. It is visible that the world has entered an arms race..
Supporting Point (1)	Even after imposing hard sanctions on Iran, the US and its allies remained unsuccessful in their plan. Iran is relentlessly pursuing its goal of being a nuclear power.
Example (1)	According to Rafael Mariano Grossi, "For months, non-proliferation experts have suggested Iran had enough uranium enriched up to 60 percent to build at least one nuclear weapon." (pbs.org, Jon Gambrell, January 2023)
SP 2 (optional)	
Ex 2 (to be written if SP2 is given)	
Concluding Sentence	Nuclear weapons pose a challenge with an increasing number of states wanting to acquire these assets in their defense.
