

Humanity Oppressing Humanity

where is the reference of the main passage?

Since ~~ages~~, Man has suffered either at the hands of nature or by oppression caused by his fellow men. Man with the sharpness of his mind and hardwork achieved supremacy; he defeated the threats of natural disasters by finding their scientific solutions. On the ~~other~~ ^{contrarily} hand, man is unable to control his own wrath. Human atrocities continue to exist in form of wars, violence and ~~advance~~ ^{avarice}. Lust for power is resulting in his tyrannical behaviour or ~~inactivity~~ and fear, a driving force of many.
