

Mashaal

When life gives you lemons,
make lemonade

Topic is about
turning a challenge
into an opportunity
while the
outline is

Outline

1. Introduction

Adversities are part of life,
but ^{up to} it is ^{either} ~~open~~ humans to get back
themselves from the storm or to ^{becoming} ~~surrender~~ themselves to ^{it} ~~the~~ storm,
however, people should get strength
from difficulties and make their life
facile?

understanding
of
topic
right

about
successful
of the
failure

2. Everybody has ^{the} ~~his~~ choice to avert
his ship from the waves of "adversaries"
or to wreck his ship in the waves.

3. How people collect all the lemons
to make a wall against all ^{the} ~~the~~ hurdles.

a. Individuals turn their weaknesses
into strengths after facing failure.

b. People come forth as ~~a~~ great leaders
after they ^{are} ~~were~~ marginalized in
their societies.

c. People become ~~more~~ ^{er-} strong to face
the world effectively after losing something.

d. Societies evolve into their best version after their complete decline

e. Climate change gives humans many new and advance techniques for disaster management.

f. Political leaders ~~always~~ use the disgrace, which they face, into their favour.

g. Many countries win favour in international forum after they face calamities.

h. Countries evolve into superpowers after economic breakdown, after by working in isolation.

i. People acknowledge worth of their cultural values ^{to protect} ~~after~~ living dull life of modern era.

j. After facing many crises, humans generate their legal and constitutional system for the betterment of humanity.

k. Advancement in security system after encountering moral decline.

- l. After bearing many hardships, humans' make their lives advance by turning stone eyes to modern eyes.
- m. Countries become nuclear powers after having threats to their sovereignty.
- n. Conclusion

"Indeed, with every hardship there is an ease." (Al-Quran)

do not write sub-headings in conclusion

Too many metaphors have been used in essay in place of another metaphors (lemon) i.e. storm, wall, waves, ships.
