

Q Global great game between USA and China is gradually entering in the Middle East. Discuss how Chinese factor is reshaping the dynamics of region with respect to USA and Iran.

Answer. Introduction

"Cardinal relations between USA and Iran will bring stability in the Middle East."

(Xi Jinping)

Global great game between USA and China is gradually entering in the Middle East. In fact, China's diplomatic role has brought USA and Iran on a single table. Resultantly, dynamics of the ME are reshaped. However, it has influence on US concerns in the ME. Thus, China has reshaped the whole ME.

2. US-Sino concerns in the Middle East: an overview

"US-Sino are in a continuous cycle

of global hegemony" (Fichte, S.P., Munksg.)

US-Sino have huge concerns with the Middle East. In fact, the US wants hegemony and control over the ME, while China wants energy needs fulfillment from the ME. Thus, US-Sino have huge concerns with the ME.

3- Role of China in reshaping the dynamics of the region

"KSA-Iran deal

is victory of the Middle East."

(Xi Jinping)

Following are resh-

aped dynamics:

a) KSA - Iran revival of rusted deals

KSA and Iran agreed to reform their deals. In fact, KSA - Iran rivalry broke certain deals between them.

"Within two months of deal; deal of 1996 and 2001 will be reshaped..."

(Tajwan Hussein, Middle East dynamism)

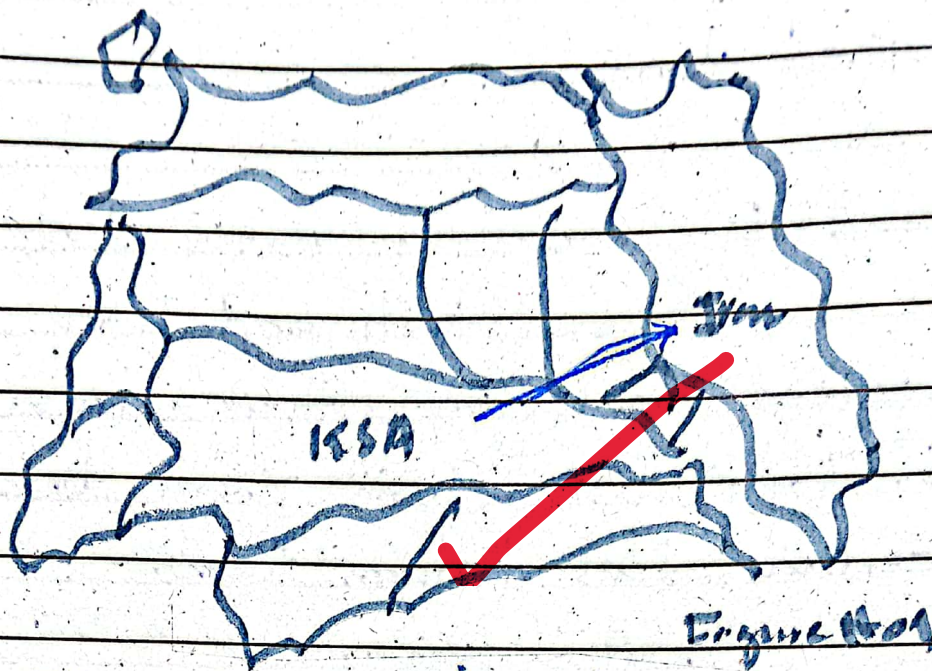

KSA - Iran deal

(1996)  
↓  
economic and commercialization trade deal

(2001)  
↓  
Strategic deal

Thus, KSA - Iran deals are revived.

b) Changing dynamics between KSA and Syria

Moreover, dynamics are also reshaped between KSA and Syria. In fact, KSA and Syria had a great conflict in US - Russian alliances.

"Syria government decided to visit KSA for future prosperity"

(Al-Jazeera, 2023)

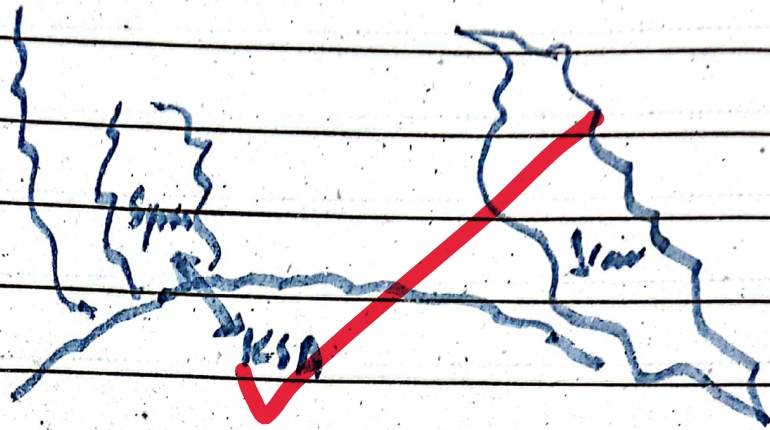

Figure: 01

Thus, KSA and Syria have also reshaped their relations.

### c) Friendly hand between KSA and Yemen

Further, KSA and Yemen have also shaken friendly hand. Both countries decided to improve future relations for the stability of the region.

"KSA and Yemen released about

900 prisoners -  
"Identities"

(-Taqwan Hussain)

Middle East dynamics  
2023)

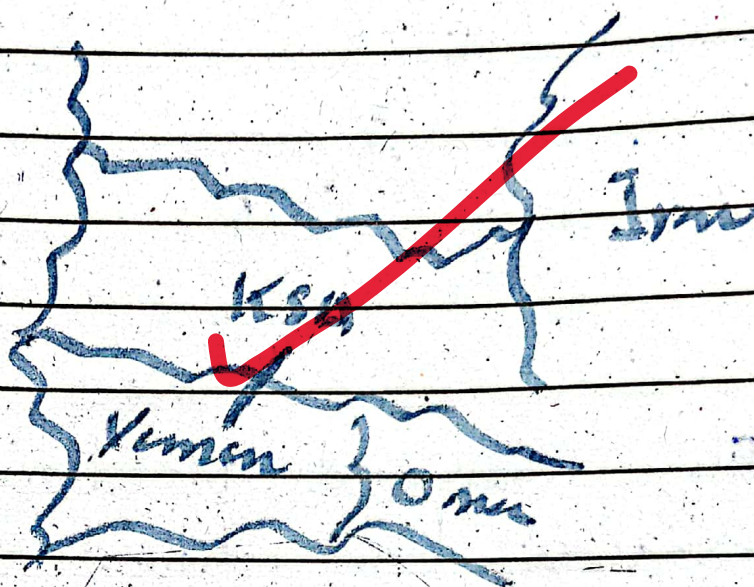

Figure 1.03

Thus, KSA and Yemen have close friendly relations.

d) UAE and Syria meeting: a symbol of victory.

Furthermore, Syria and UAE meeting leads to a message of victory. In fact, the UAE invited Syria to have a visit.

"Syria decided to

accept invitation of UAE  
for official visit.  
(Ab. J. ...)

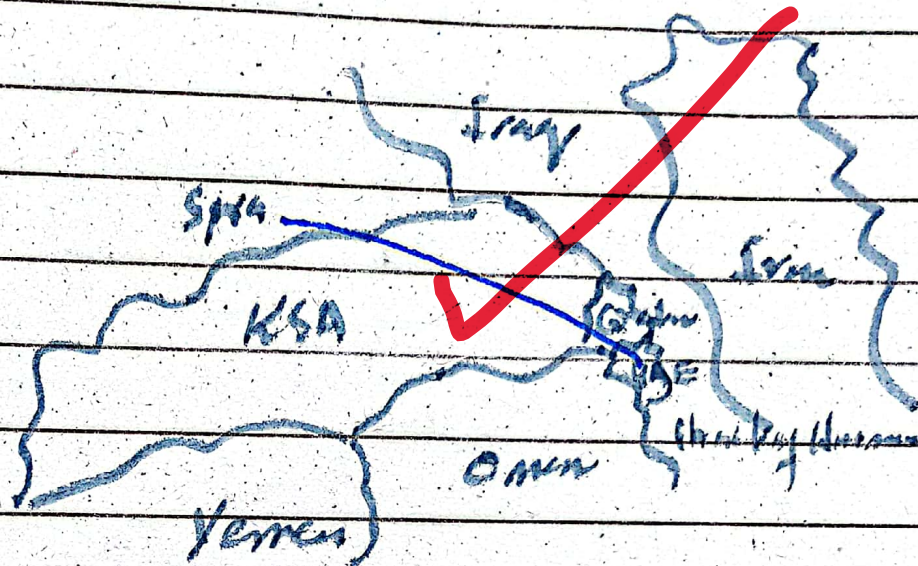

Figure: 04

Hence, UAE and Syria have also ensured stability of the region.

(4) Possible impact on the USA - beyond many end concerns

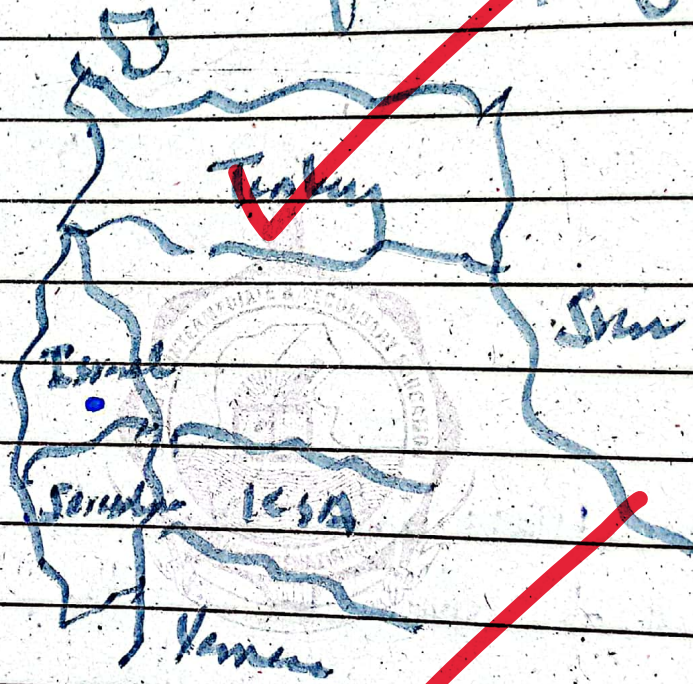

USA has possible impact with respect to Israel policy. In fact, the US is a major pro-Israelian.

"The US supports Israel"

and uses it as a  
tool of KSA and  
Iran rivalry."

Co. Abbas Salameh,  
Changing dynamics of  
US foreign policy (2023)

Hence, KSA - Iran deal has threat  
to US - policy of Israel.

discuss this part in detail as well by giving subheadings.

5. Critical Analysis  
Stability between KSA  
and Iran is a

Sign of stability of  
the Middle East.

(Xi Jinping)

KSA and US has huge relations like KSA had rivalry with Iran. In fact, KSA-Iran cardinal relations poses threat to US-KSA relations and decreases the hegemony of the US in the Middle East. On the other hand, US-Iran rivalry leads to Iran independent and no care of the West after KSA-Iran deal. Therefore, KSA-Iran deal has changed dynamics.

6- Conclusion

"KSA-Iran deal leads to multipolar concept of the world."

(Vladimir Putin)

Great global game between USA and China has changed

dynamics of the region. Role of  
China is a main player that  
has reshaped relations between  
countries of the Middle East. Thus,  
great global game between US  
and China has influence the  
region.

the second part of the answer require more detail and arguments.
