

What does Pakistan need most? Charter of Economy or Charter of Democracy?

Mashat
Outline

keep it up!

1. Introduction

Thesis Statement:- Not undermining the importance of ~~a~~ charter of economy, but ~~the~~ significance of agreement upon some sort of charter of democracy is extremely critical to ensure Pakistan's mid-term stability and long term prosperity.

2. Why Pakistan needs to decide between Charter of Economy and Charter of Democracy?

3. Charter of Democracy: Pakistan's main need (Thesis)

- Role of non-democratic forces will become less significant
- Democratic values will find way in the society
- Much-needed political stability will be ensured
- Political polarisation & hostility will diminish

- ✓ e. Political leaders will collaborate for public welfare
- ✓ f. Public faith ~~will restore~~ in the democratic system shall get restored
~~state institutions~~
- g. Example from history (2006 Charter) ~~can~~ shows that such charter is needed and relevant

4. Pakistan needs Charter of Economy (Anti-thesis)

- ✓ a. Economy has suffered due to ~~non~~-inconsistent economic policies
- ✓ b. Without strong economy, strength of Government is questionable
- c. Economy is currently in miserable state; demands urgent attention
- ✓ d. Charter of Economy will increase investors' confidence
- e. Charter of Economy may help in combating corruption → *how?*

5. Charter of democracy: ^{More} Urgent needed than charter of economy

- a. Charter of democracy will provide long term benefits, not short term bonuses
- ✓ b. Political stability is the pre-requisite of economic stability

✓ c. Society needs democratic values more than money

✓ d. Economic growth cannot be sustained in a politically polarized environment

✓ e. Charter of Economy does not diminish powers of non-democratic forces

6. Conclusion
