(Body Paragraph).

China's Journey From Poverty-Stricken to Poverty Free.

China's leadership struggled hard and brought out the country from marsh? of poverty. once ~~China's~~ poverty was 82pc and ~~the~~ country was ~~unimportant~~ considered ~~country~~ unimportant in the world. Chinese leadership adopted scientific ~~approach~~ SP ~~made~~ devised effective policies; then, they implemented them. Before implementing policies, they identified the fundamental problems in China, such as bureaucracy, waste? and corruption. Secondly, China brought impressive reform in the country and installed its ~~their~~ own democratic model in which they run government independently. Resultantly, China ^{is} now ~~the world~~ a poverty free country and reference? ~~its~~ economic growth in global market is 23.5pc. Hence, China worked hard to overcome poverty.
