

Title : A trip to Cherokee Cherokee

The writer found it difficult to choose a destination for a tour. On his friend's suggestion, he finalized a trip to Cherokee, a country in state of Oklahoma. He visited a historical place of Cherokee "Qualla bandy". A shopkeeper named as George welcomed them in a heartwarming manner. George also invited ~~for~~ ^{for} them in a nostalgic manner. He talked about his profession in a nostalgic manner. For him, being a shopkeeper is still better than being a woodcutter. Cherokee's way of income ^{did} do not solely depend on trade rather income. The final visit ^{was} is also a source of ^{museum} museum. The writer ^{was} is excited to pay his second visit to this place.
