

MashaAllah

Does poverty lead to crime?

Outline

I Introduction

Thesis statement

II Conch Paragraph

III Poverty is not the sole leading factor of crime.

(thesis)

attached with illegal activities

a) low risks and high rewards burgeon multifarious ~~criminal activities in any state~~

b) discriminatory criminal justice system allows crime and criminal activities to flourish use words with negative connotations

c) greed and lust for more are as a prime factor behind corporate and white collar crimes

d) fulfillment of ideological goals as a driving reason for state criminals (eg terror groups like TTP, ISIS, Al-Qaeda)

e) psychosocial and genetic factors are leading cause of crime for domestic abusers and drug offenders addicts?

Poverty ← use topic keywords

4. Weak financial situation is an enabler of criminal activities (antithesis)

a) poor people make the most of weak crime prevention institutions that manifests as street crimes, theft, robbery etc → write simply for clarity

b) poor criminals swear allegiance to powerful elite for legal impunity

c) people from lower tiers of society ~~also~~ indulge in crime for financial gains

d) terrorist organizations hire ^{exploit} people from humble backgrounds to form their "terror armies"

e) poor living conditions favour the expression of psychogenetic factors in the form of criminal activities

follow in whole outline

5. Variegated and multifarious causes lead to criminal activities (synthesis)

a) corrupt political behaviour and military top brass are the beneficiaries of the weak crime prevention system of any state

b) a plethora of the 'poor accused' are the affectees of weak criminal justice system as in Pakistan.

Not only poverty but

Simply write motives other than poverty behind crimes in simple clear sub-headings

c) financial gain for 'poor' is a means of sustenance while monetary advantage for corporate criminals is a means of hoarding capital

d) highly sophisticated terror organizations have professionals, religious or political elites at their helm.

e) domestic abuse and drug offense is also rampant in considerably cultured parts of our society

~~6~~ Conclusion
