

there are some basic ethics of writing precise and you have followed none

word count is written at the end in a proper way precise para is indented and title is written in the middle and this precise is written in a casual way

Unwanted Manto Malining 75 words

Manto was criticised by ~~hypocritical~~ and ~~ignorant~~ critics for being vulgar and obscene in his writings. However, he remain depicted delinquency, absurdity of society and also dark side of human psyche. He treated sex not as an abstract concept but as an concrete reality of life. Manto's characters are normal human being instead of glorifying humanity, he depicted human nature as it ~~is~~ ^{was}. He identified with the readers on their their psychological and moral dilemma.

use of difficult vocab

main idea is picked but expression is poor

main theme is missing and precise is not upto the required words

0/20

not satisfactory
