Exacerbating migration of youth
to abroad countries.

Migration of youth ~~to~~ abroad countries is increasing day-by-day from ~~in~~ Pakistan. There are two main reasons which have compelled youth to move to foreign countries: Political instability and crippling economic indicators. In fact, inflation is at the peak, unemployment is ~~digging away~~ and economic developments are not satisfying; therefore, youth are ^{is} reluctant to stay in Pakistan. According to the Bureau of Emigration and Overseas Employment, 2023, approximately nearly 100 lac youth have left Pakistan for their better future. Moreover, it is an enormous loss of Pakistan that ~~new~~ talented youth goes abroad. As per Saheem Shah, PIDE economist, 67 pc more youth wishes to go foreign countries for better future. Hence, migration of youth's ?
