WHAT DOES PAKISTAN NEED THEMOST:  
CHARTER OF ECONOMY OR CHARTER OF DEMOCRACY

OUTLINE:

Write self explanatory  
headings - avoid vagueness

### 1- Introduction

Thesis Statement: It is true that the state of economy is intertwined with political stability. However, Pakistan is in need of a durable economic framework in order to attain ~~sustainability~~ and defend its sovereignty, thus, making the need of charter of economy greater than that of charter of democracy.

### 2- Role of Charter of Economy and Charter of Democracy in Empowering Pakistan.

clarify

?

now?

### 3- Central to Pakistan's Implications is a Charter of Economy (Thesis)

- a- National Economic Framework: A Remedy for Instability
- b- A Platform to develop Consensus and ensure Certainty.
- c- Roadmap to Long-term Economic Development rather than short-term partisan advantages ← clarify
- d- A course to self-reliance by expanding Domestic Revenue Base.

### e- Charter of Economy <sup>is</sup> central to earning the trust of Private Sector Investments.

### 4- Indispensable need for a Charter of Democracy in Pakistan (Antithesis)

- a- The Paradox of Charter of Economy only a fraction of the required Charter of Democracy. clarify

b- A Unitary Democratic Framework vital to navigate  
Political Polarization.

c- A sustainable and incentive-based growth fosters in a  
democratic atmosphere ✓

d- A Democratic Charter ensures the durability of  
self-relevant national policies. ✓

e- Charter of Democracy - A vital prerequisite for an  
Investment-friendly Environment. ✓

(Synthesis).

5- Forging the Future of Pakistan with a Charter of Economy.

a- Challenging to reinforce a robust Democratic Policy  
without a National Economic Strategy in place.

b- An Inclusive Fiscal and Monetary Policy upholds  
Common National Interests. ✓

c- The Boom-and-Bust Cycle of Economic growth needs  
a permanent Solution. ✓

d- Freedom from Aid-dependent growth ensures the  
Sovereignty of a country. ✓

e- Foreign Direct Investments facilitate economic as well  
as diplomatic standing of a country. ✓

6- Conclusion ✓
