Passage (2004)

① What is diff b/w our life and the life of animals?

ANS: It is said that this is what distinguishes us from the animals and that they, unlike us, live always for and in the movement and have neither hopes nor regrets.

Meaning

→ what?

② What is result of human anxiety?

ANS: AS a result we find many grounds for melancholy and foreboding. we are fearful from our lives.

of anxiety humans

→ avoid using personal pronouns

for

③ How can we make our life tolerable?

ANS: we could let future

look after itself and be
content to enjoy the pleasure
of morning breakfast, the
brisk walk to the office
through ~~are often spoiled~~
? for us. we should live
happy.
happily
