Q

How do you compare SCO with NATO in terms of military dominance in the Euro Asian region?

Answer Introduction

The world is rapidly moving towards strategic partnership..

~~G. Fitch, S.P, Munday~~

In Euro Asian Region, military dominance is led by two great alliances. NATO and SCO organizations are established to maintain security concerns in the region. However, military competition is prevailed by SCO and NATO. Therefore, SCO and NATO are heavily dominated by military views.

2- Background of SCO: an overview

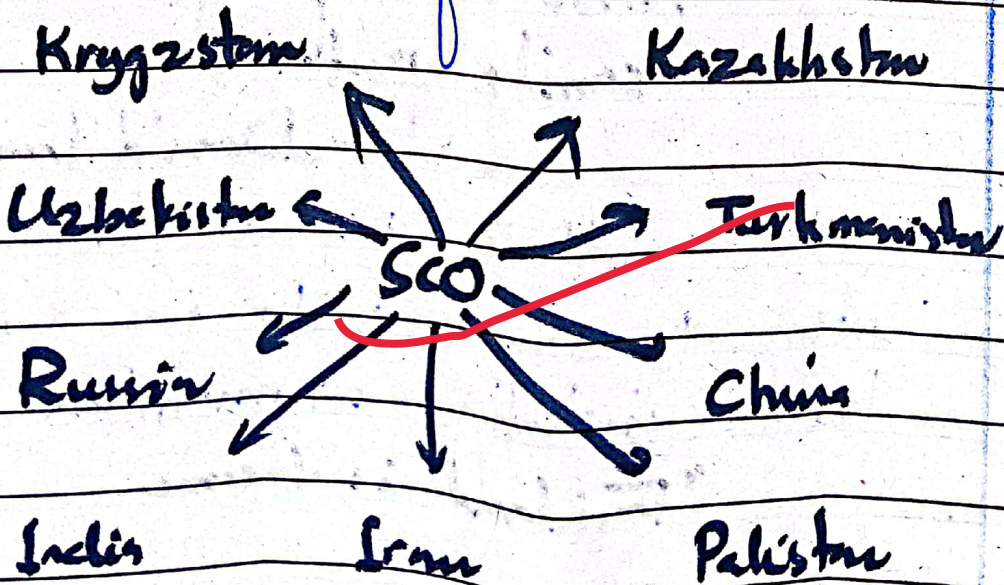

SCO got establishment in 1996. In fact, after the fall of the USSR, security concerns increased in the region.

"In 1996, SCO was as 'Shanghai Five' due to its initial five members."

(- Toquevillians, journal of SCO, 2017)

In 2001, Uzbekistan joined it and renamed as 'Shanghai Cooperation Organization'. Moreover, in 2017, India and Pakistan joined it. Iran also became a member of SCO in 2022.

Therefore, SCO is a South Asian  
Security Organization

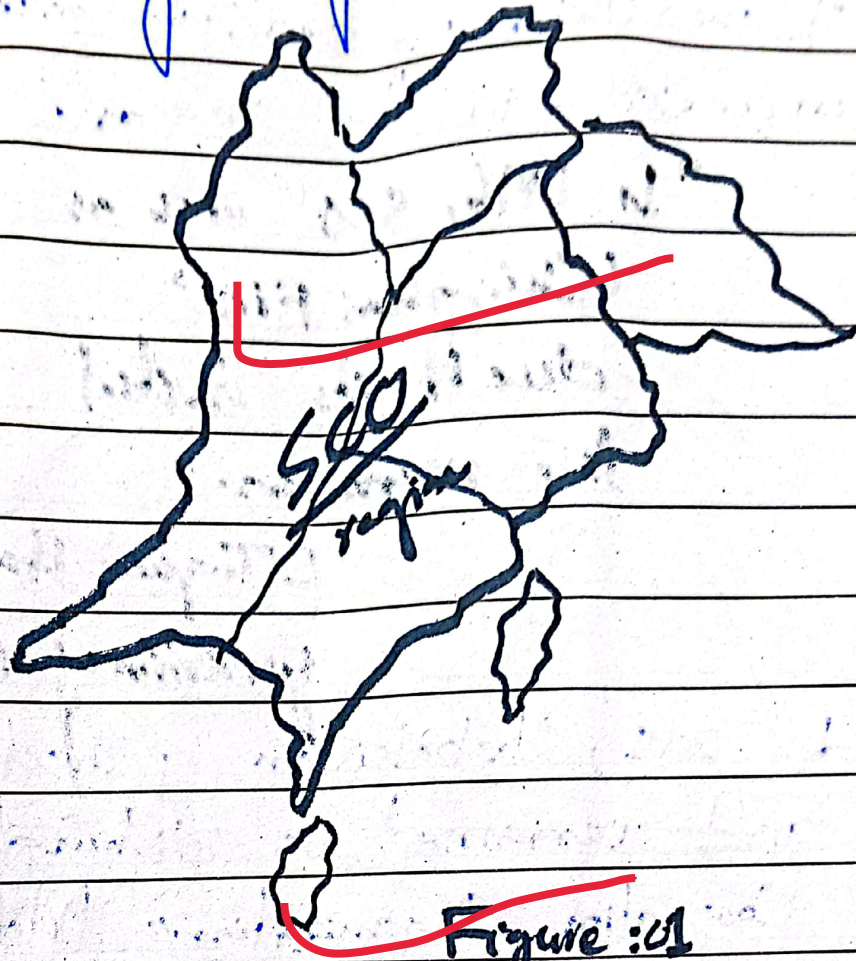

Figure: 01

### 3. NATO: West European Alliance

"NATO is a peaceful  
security pact."  
(- Donald Trump)

NATO is an organiza-  
tion of security. In fact, it  
had initially 29 members.

"Finland is become

the thirty first member  
of NATO.

(NATO secretary)

Conveniently, ~~NATO~~ has thirty-one  
members. Hence, NATO is a  
military pact led by the West.

4- Comparison of SCO with NATO  
in terms of military dominance  
Following is compar-  
ison:

a) Military aim of SCO

Military aim of SCO  
is a joint effort. In fact, all  
SCO members will cooperate  
with one another in security  
concerns.

"Joint military exercise  
and intelligence sharing  
is a motive of SCO."  
(- A. J. Johns, 2015)

intelligence sharing

joint military exercises

SCO Military

aim

anti-narcotics

anti-terrorist

Therefore, SCO is led by proper military aim.

Since its a comparison, discuss both these points under a single heading simultaneously.

b) Military Aim of NATO

Similarly, NATO also followed by military aim. In fact, attack of one member will be attack on all.

"NATO members are guardians of one another."

(- Joe Biden)

Thus, military aim of NATO is led by equal representation of all.

### c) Military fundings for NATO

Moreover, NATO has more military fundings. In fact, military funding is raised today.

↳ ~~Russia-Ukraine war~~ led to rise of NATO members.

(- NATO Secretary)

Not only this, but funding is increased.

↳ All NATO members have contributed in budget of NATO

↳ ~~Russia-Ukraine war~~

(- NATO Secretary)

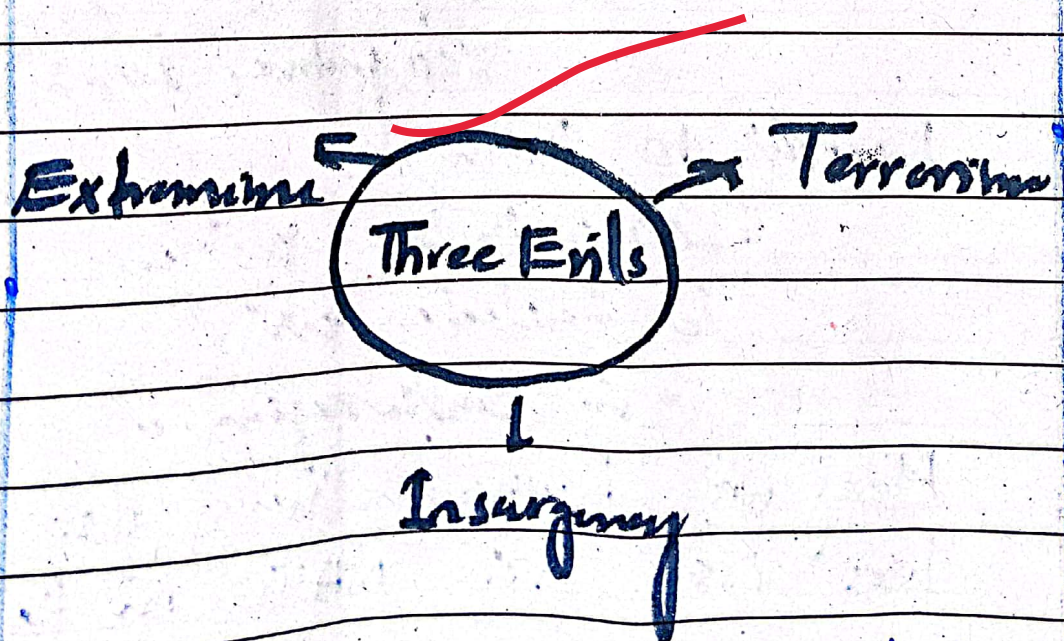

Therefore, NATO is heavily dominated by military fundings.

### d) Military fundings for SCO

Further, military fundings of SCO is also possessed. In Summit of SCO - Sochi meeting, it was decided that member countries will fund to take ~~Security~~ Security crisis in the region.

"The three evils terrorism, extremism, insurgency will be tackled by SCO."  
 (- Vladimir Putin)

Therefore SCO funding is defined

Again, merge these two points.

to eradicate regional evils.

e) Narrative of SCO leaders regarding military

SCO leaders have strong advocacy of military confrontation in the region. In fact, they want to value SCO instead of NATO.

China and Russia

have issues over

influence of NATO in the region.

(Touqeen Humaira, SCO future, 2022)

According to Putin,

SCO is the best platform to ~~eradicate~~ evils

in South region.

Along with Russia, China also has issue over NATO in the region.

" NATO has no space  
in the region  
of South Asia "

Therefore, SCO leaders have  
advocacy over our part.  
(Xi Jinping)

f) Narrative of NATO leaders  
Like SCO, NATO  
leaders also have narrative on  
NATO influence. In fact, they  
want to promote influence of  
NATO.

" NATO penetration in  
the EuroAsia region  
made Russia aggressive "  
(Al-Jazeera, etc)

According to Biden,  
" In case of attack on  
NATO members,  
strong retaliation will  
be done "

Hence, NATO also has advocacy

Short and incomplete answer. You have only added 3 arguments | the comparison part. Increase them.

over its influence.

## 5- Critical Analysis

• NATO and SCO

are become regional

security pacts.

(- Toquenhusai)

NATO and SCO are

become ~~security~~ pacts. In fact,

growing ~~insecurity~~ has compelled

regional countries to unite for

peace. Therefore, SCO and NATO

are military dominance pacts

today.

## 6- Conclusion

"Strategic influence

has influenced the

countries in the

~~world.~~

(-Trump)

NATO and SCO are

military dominant organizations

Q Both have strong approach  
to tackle evils in the region.  
Therefore, SCO and NATO are  
comparable military cooperation.

Q

Short answer!
