Translation (2023)

The old man said that there is a mountain across the forest, where the flower grows. Whose fragrance returns the lost of eye vision. But ^{the} mountain is very high and there are many rocks on it. There are thorny bushes with large stones that block the way. Many people came and went to ~~go to~~ this mountain. But no one came ^{who could} who reached the flower. Perhaps that is why ^{there is} sorrow and pain ~~is present~~ in the world and man is searching for the light.
