Swarp: Well, you cannot get a degree if you do not pass the examinations, and I have set my heart on being a graduate.

Swarp replied that it would be impossible to get a degree without him passing the examination and he wanted very much to be a graduate.

Jack: And pray what good will graduation do you? You may get a clerkship in government office, but that is all, & there are hundreds of fellows who have got their degree and are nearer getting jobs of any sort.

Jack asked what good will graduation do Swarp. He might get a clerkship in government office but that was all. He mentioned hundreds of students who had got their degree and were no nearer getting jobs of any sort.

Swarp: That may be so but I am not studying so much to pass my examination and obtain my degree as to store my mind with knowledge and develop my intellectual faculties.

Swarp replied that might be so but he was not studying so much to pass his exams and obtain his degree as to store his mind with knowledge and develop his intellectual faculties.
