TIME ALLOWED: THREE HOURS	PART-I (MCQS)	MAXIMUM MARKS = 20
PART-I(MCQS): MAXIMUM 30 MINUTES	PART-II	MAXIMUM MARKS = 80
NOTE: (i) Part-II is to be attempted on the separate Answer Book. (ii) Attempt ONLY FOUR questions from PART-II. ALL questions carry EQUAL marks. (iii) All the parts (if any) of each Question must be attempted at one place instead of at different places. (iv) Write Q. No. in the Answer Book in accordance with Q. No. in the Q.Paper. (v) No Page/Space be left blank between the answers. All the blank pages of Answer Book must be crossed. (vi) Extra attempt of any question or any part of the question will not be considered.		

**PART-II**

- Q. 2. What are the indicators of collapse of failure of governance? Explain the diagnostic tools used to identify these indicators and their effects on society. (20)
- Q. 3. How does Marxism analyze the impact of class struggle, capitalism, and private ownership on governance dynamic? How does it envision a transition to a classless society and collective ownership of resources? (20)
- Q. 4. How do international donors, particularly the IMF, impact policy formulation, through documents like the "Memorandum of Economic and Financial Policies."? What implications does this have for a country's public policies and governance? (20)
- Q. 5. How do the various types of accountability interact to ensure effective governance? How does the concept of accountability differ when applied to private versus public entities? (20)
- Q. 6. How does the distribution of powers and responsibilities between Federal, Provincial, and Local Governments in Pakistan's context reflect the principles of federalism? What are the benefits of granting autonomy to local entities within this framework? (20)
- Q. 7. How do the theories of Max Weber, Karl Marx, John Stewart Mill and Woodrow Wilson provide insights into different dimensions of Bureaucracy, including its characteristics, potential impact and implications for governance? (20)
- Q. 8. How does the incorporation of ethical principles, as exemplified by the Estacode and similar codes of ethics, shape the behaviour and decision-making of government officials within the realm of public administration? What role do these codes play in ensuring transparent and accountable governance? (20)

Q: No.	Answer
1 Q:2	
2	Answer Introduction
3	
4	"Governance is a soul
5	of the state."
6	(Toqeer Hussain)
7	Governance is a pillar of
8	every state. But, bad governance is a
9	challenge that is prevailed by several
10	indicators. These indicators are meas-
11	ured by several diagnostic tools, which
12	reflect their impact on society. Thus,
13	many indicators are responsible for fail-
14	ure of governance.
15 2.	An overview of bad governance
16	" About 23% of people
17	believe that bad
18	governance is a cause
19	of failure of
20	

government"

(Pew Research Centre, 2023)

Bad governance is a poor performance of the government. Several indicators explain them. Lack of accountability, poor rule of law, inefficiency etc are few among them.

This shows the poor performance of government.

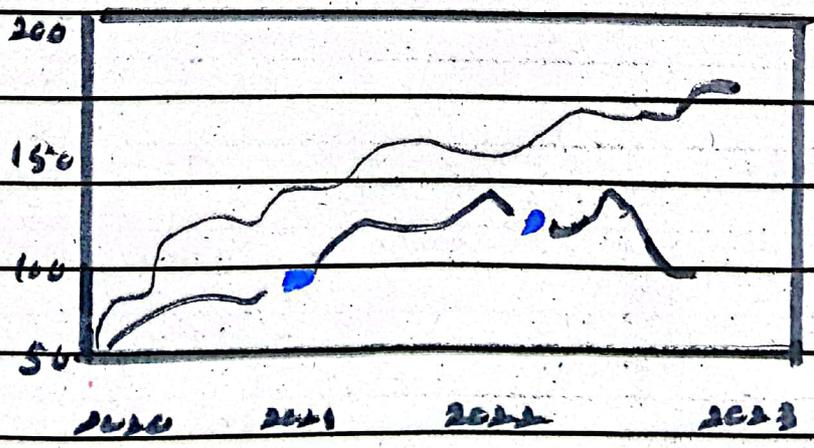

### 3- Indicators of collapse of failure of governance

Following are indicators:

#### a) Lack of accountability

Lack of accountability is a main indicator of collapse of governance.

• Pakistan ranks at 146th out of 180 countries in accountability mechanism.  
(Corruption Perception Index, 2023)

(The CPI, 2023)

Hence, lack of accountability causes failure of governance.

b) Lack of transparency

Moreover, Lack of transparency is another indicator.

"In every relation, there is a need of transparency; lack of transparency causes failure of bond."

(Hina Saleem, 2011)

This shows importance of transparency in government.

c) Failure of democracy

Further, failure of democracy is also a root cause of failure of governance.

• About 83% of people believe that failure of democracy

leads to failure of  
governance."

(Pakistan Institute of  
Transparency Report, 2022)

Thus, failure of democracy also causes failure of governance.

d) Lack of co-operation among governments

Furthermore, lack of co-operation threatens governance.

\* Lack of co-operation between federalism units and centre in Pakistan

causes democracy failure, which

promotes political instability."

(The World Bank, 2023)

Hence, lack of consensus among governments also causes bad governance

no accountability

no transparency

Indicators of failure  
of governance

weak democracy

no cooperation

4- Diagnostic tools for identification of indicators with respect to effects on society

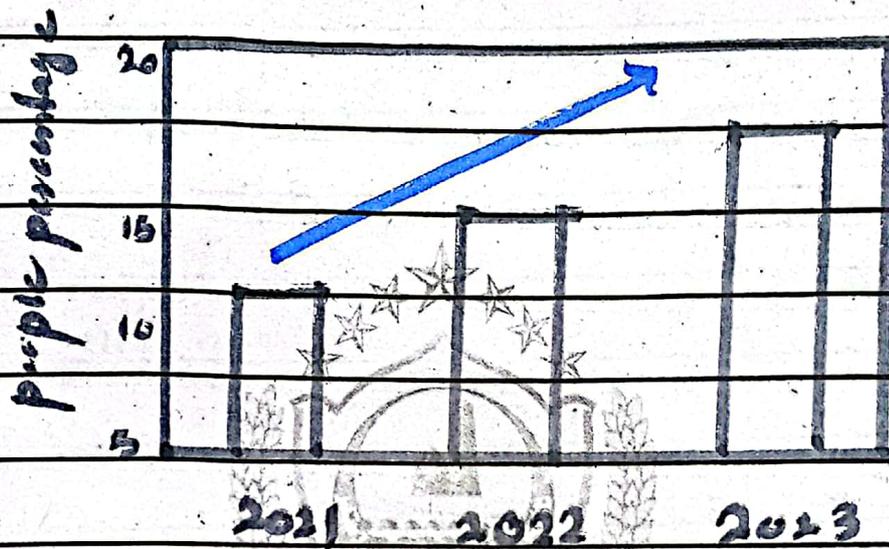

Following is explanation of its

a) Poor civic engagement

Firstly, poor civic engagement is a bad image. Poor governance leads to poor civic engagement.

"Approximately only 19%  
people are engaged  
in charitable  
donation."

(PIDE, 2023)

• Civic Engagement

(PIDE, 2023)

This affects civic engagement.

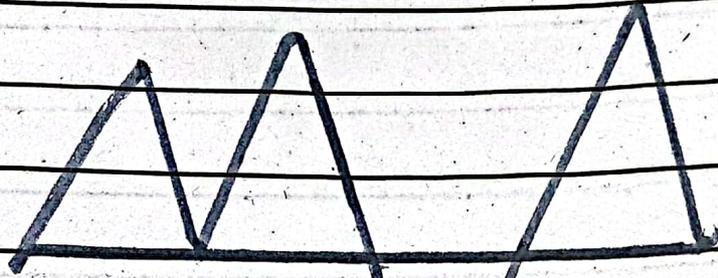

by Prevalence of inequality

(Secondly, inequality is deep-rooted in society)

• Pakistan, unfortunately,  
ranks at 145th  
out of 146 countries

in gender gap"

(The World Economic  
Forum, 2022)

← Pakistan

(second worst country)

(The CNRF, 2022)

This shows inequality in society.

c) Public Policy failure

Moreover, it impacts public policy. Lack of co-operation affects human rights.

"Public policy is formulated by elite, general, military and

bureaucratic in  
Pakistan in 2022.

(Pew Research Center, 2017)

Thus, it affects public policy formation.

d) Violation of human rights

Last but not the least, it has also affected human rights.

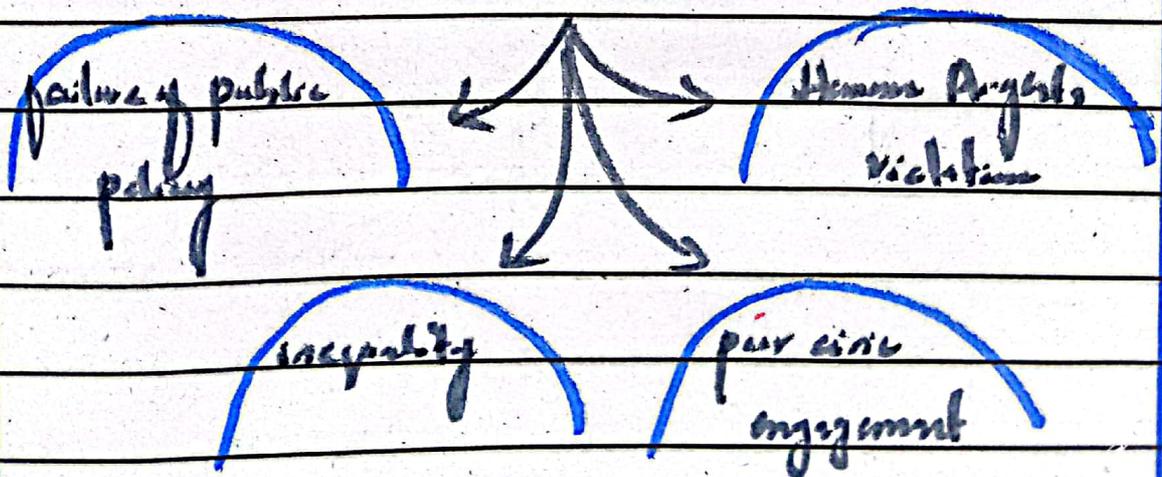

"Pakistan ranks at 33<sup>rd</sup> among 100 countries in human rights."

(The World Freedom Report, 2016)

This shows that human rights are also suppressed.

### Bad Governance

### Diagnostic Tools with reference to Society

5-

## Conclusion

'Short goals leads to  
bad governance'

(Asian Development  
Bank/2014)

Bad governance is supported by several indicators. These cause failure or collapse of governance. As a result, antagonistic feels indicate their effects on society. This shows the demonstration of bad governance.

plz encourage me to do well,  
I want to be successful.
