

war in Gaza is a tragic for the muslim world. Jewish Army is killing Palestinian day by day. Hamas is also trying to revenge the Jewish army by attacking their ~~armies~~ tanks.

Situation is really very horrible in Gaza. children, women are being targeted ruthlessly. Hundreds of people are dying at daily basis. Muslim countries and international organisations should come forward and play a vital role to stop war. If war is stopped thousands of people will be safe. If war is not stopped there will be no place to bury the dead bodies.

Public think that laws of the country and freedom of person are antonym. Apparently it does not look wrong. Every law imposes any obligation on the citizens. If number of laws is ~~more~~ high in country then there will be more obligations. owing to high obligations liberty of person is under their burden. on the contrary if the laws are limited citizens enjoy their liberty.
