Education

Topic:

Role of Education in the development of country

Sub-Topic:

Education develop a civilized nation.

Explanation:

Education plays a important role in nation development and to make a civilize nation. Civilize nations are well disciplined in the field, free of corruption, loyal with country and work hard. Great education system makes great leaders which plays the role in country development. Their education system produce a civilize nation. The big buildings always stand on good base, so a country need of a base of a civilize nation for development.

Evidence:

After world war II 1945, Japan was totally destroyed by the allies. Then Japan cannot accept the defeat and took as a challenge. After that, Japan nation was a civilize nation who work day and night with discipline and work hard. Now, Japan is in the top five economies of world.

Conclusion:

Pakistan government should make amendment in education system according to international level to cope with challenges as corruption, crime and terrorism in the country.

Social Media

Topic: Social media impacts on society

Subtopic: Social media specially impacts our youth in society.

Explanation:

In our society, everyone is using social media. The social media uses increasing day by day due to its importance. In spite of that, it also have some impacts on youth. They are wasting most of time on social media website as Facebook, Twitter, Instagram, Youtube and Snapchat. Social media scrambled the values of youth and society. Youth are hounding of mental and physical illness. we should cope these issues of social media with dignity. we need to allay social media uses in society. Youth gets inspiration from social media then implicates in different issues or crimes in society. Crime rate is increasing due to social media inspiration.

Evidence: A 2019 study on 12 to 15 year olds found that using social media more than a three times in a day predicted poor mental health and well-being in teens.

Conclusion: we should allay the use of social media and focus on physical activities to keep our body healthy. That will be ferocious if we handle social media issues.

Gender

Topic:

Gender based violence in society

Sub-Topic:

There are numerous issues in our society but one of them major issue is gender based violence.

Explanation:

Gender based violence is increasing day by day in Pakistani society. Men wanted to dominate on women. Men discriminate women in their rights as education, health and legitimacy. Gender based violence reasons are dominance, inequalities in rights and absence of laws by government in society. Pakistan is facing gender based violence including acid attacks, honor killing, legislation, child marriages and domestic violence.

Evidence:

32 per cent of women have experienced physical violence and 40 per cent married women suffered from spousal abuse of at some point in their life (The Pakistan Demographic and health survey 2012-2013).

Conclusion:

In a nutshell, Pakistan government should make laws for gender based violence and strictly applied in society.
