

'World peace is a choice of superpowers.'

- Argumentative Essay

Outline:

1- Introduction

Tracing the blue prints from history one can find today's world situation aligning with the role of superpowers in maintaining world peace. Choices made by superpowers can either escalate tensions and threaten world peace or lead to diplomatic resolutions, determining the path towards global harmony.

2- In the realm of International Relations and politics, the decisions made by superpowers hold immense weight in determining the ~~state~~ of worldwide tranquility. Example: Today's Resolution of the Gaza situation.

3- Role of Superpowers in the pursuit of peace is of paramount importance:  
(Thesis)

- (a) Super powers and their checkmate around world - (Russia veto on Russia-Ukraine)
- (b) Economic interdependence reverging peace  
(Dollarization of the world map)  
(International Organization & Role of Super Powers)
- (c) Soft power and cultural influence snaring the atmosphere.  
(what is Art by Leo Tolstoy  
Technological Developments and cultural exports throughout the world)
- (d) Military Campaigns playing puppet show:  
(Cold war - underlying motives of gaining influence and control over the Strategic Region)
- (e) Diplomatic influence knitting spider web of kinship  
(US and Israel diplomacy)

4- Superpower benefits <sup>the world peace</sup> through world order:

- (a) Collaborative efforts and mutual understanding can foster global harmony
- (b) Economic interdependence creating kinship between rivals (US and China)

(c) Softpower : the mean of diversification

(Joseph Nye - Softpower : The means to  
Success in World politics)

(d) Military Campaigns dissolving unnecessary  
rivalry and bloodshed.

(e) Diplomacy, a threshold ~~from~~ to  
Mutual respect.

(Role of US and China in Asia)

5- Fragility, thy name is vision through  
Superpowers' eyes: (Synthesis)

(a) Superpower creating environment for  
their sustainability.

(b) Trade and unnecessary tariffs ~~are~~  
mere representation of their means.

(c) ~~know~~ Spreading what they want, the  
obscure nature of today's Art.

~~(d)~~ (no place for rebellious authors)

(d) Militant engaging in balancing  
through suppressing oppressed.

e) Maintenance of unresolved issues to  
~~grow~~ haze the tussle  
(Palestine, Kashmir, Ukraine)

5- Conclusion
