Question

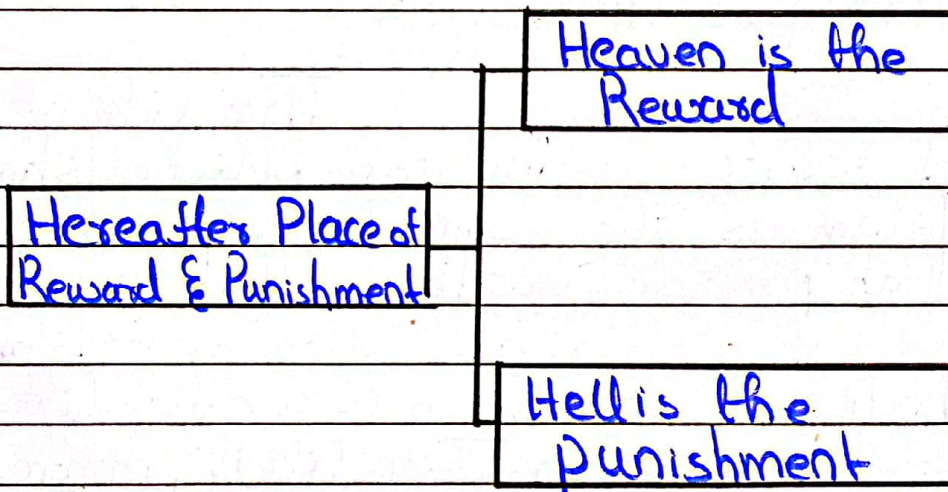

What is the Quranic argument on life Hereafter? What are its impacts on individual and collective life of a human Being?

Introduction:

The life of Hereafter is the core belief of Islam. Islam is the complete way of life that provide guide for that world and Hereafter. The followers of Islam believe that there is a other life in the heaven. This life is permanent and better life for the world. The Quran provide the concept of Hereafter life. The life of Hereafter play significant role in the human life and society.

Day of Judgement: Central Belief of Islam

The day of Judgement also known as "Hereafter" is the faith of Islam. Islam emphasizes the reality of the world. Islam provide concept of Hereafter or Day of Judgment to address the accountability of Good and bad deeds. The life of Hereafter has significant influence on the Muslims. The belief indicate the good deeds is the key of Heaven and bad deed key of Hell.

Quranic Argument on the life of Hereafter :-

1) Hereafter is real and Eternal :-

According to Quran

"This worldly life is no more than play and amusement, but far better is the eternal home of the Hereafter for those mindful of Allah. Do you not understand"
(Surah Al-Anam 6:32)

This Quranic verse highlight that this world is temporary place for humans. The world is not actual home of humans. This life is eternal and this world is only play thing.

2) Life of Hereafter is the place of reward & punishment :-

According to Quran
"Whoever does good, whether male or female and is a believer. We will surely granted them a pure life and we will surely reward them according to best of what they did"
(Surah An-Nahl 16:97)

This verse of Quran emphasizes that the good deeds ~~is~~ receive best reward in the world and

and Hereafter

According to Quran, those who ignore signs of Allah and disbelieve, they are companions of fire" (Surah 2:24)

The Surah Baqarah clearly said that those who commit bad things in the world, they will go to hell.

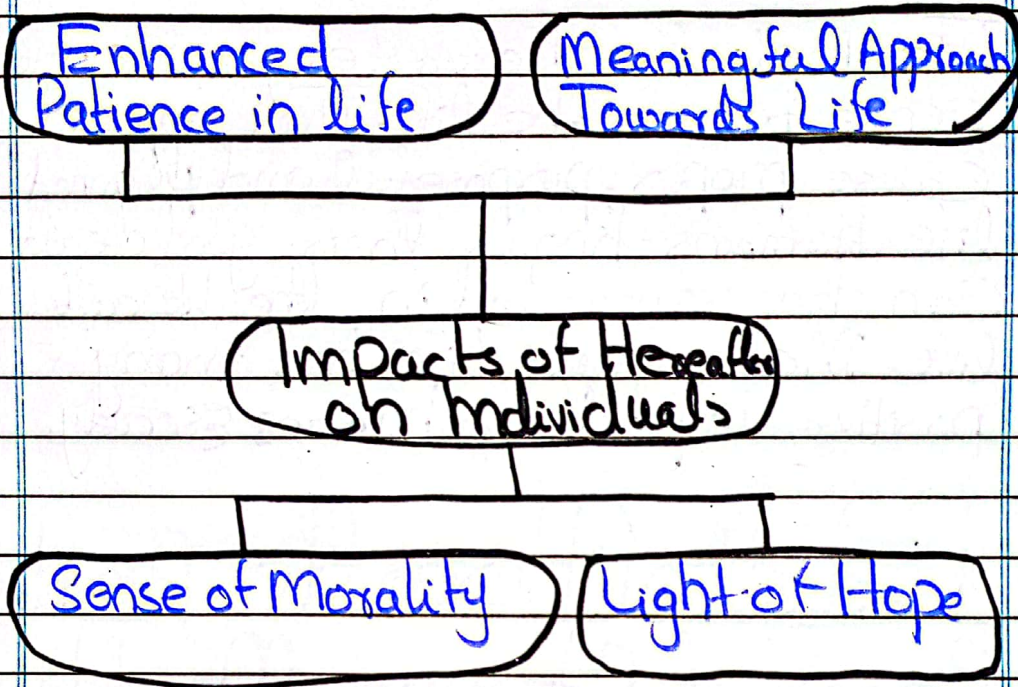

3) Hereafter is a place of justice and accountability

"Everyone will be paid in full for what they did and Allah is not aware of what they do" (Surah 3:154)

4) The life of Hereafter is a blessing :-

According to Quran, those do good deeds so they will admitt to gard ens beneath which river flows to dwell therein forever. (Surah 4:57)

Impacts of Hereafter Life on Individuals

1) Belief of Hereafter Enhance Great Patience in life

knowing that trials and tribulations in the world are temporary and the hardships never exist longer. The belief is the booster of patience of humans. The humans know whatever wrong do with them but Allah knows and reward them best in the hereafter life.

2) Belief of Hereafter leading towards Meaningful life

The Belief of hereafter provide new sense to see the life. This approach cause proper, purposeful and planned life. Humans knows their good deeds can be rewarded in the hereafter life. Meaningful life has many positive impacts on humans & society.

3) Belief of Hereafter provide Sense of Stronger Morality

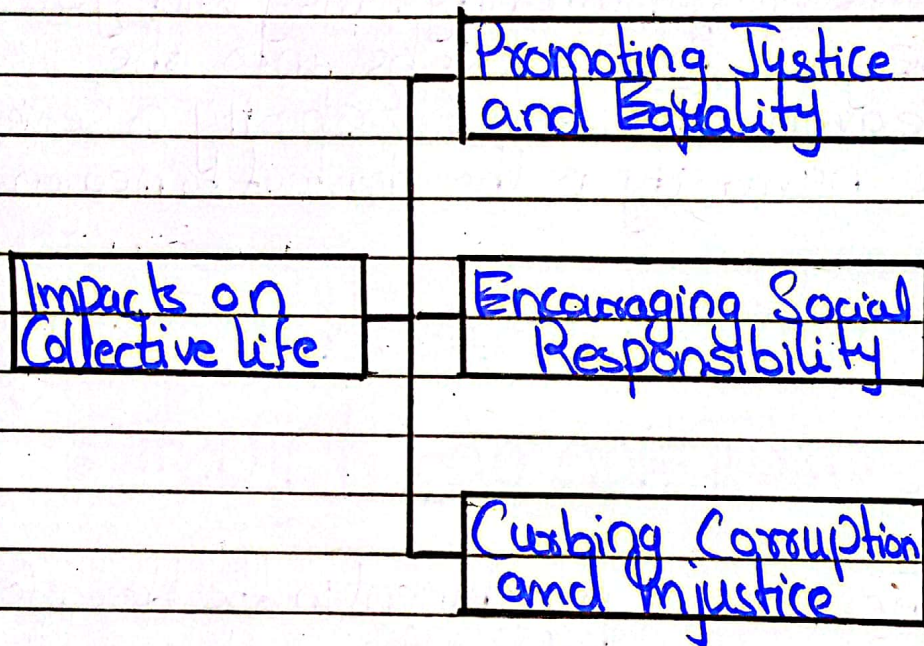

The awareness of accountability and justice in the hereafter life promotes social and moral values. It created the environment of equality and justice.

4) Hereafter life is the light of Hope

The individual know Allah is a supreme power and they do justice, equality and

and give reward in the Hereafter. They will provide hope and comfort.

Hereafter Impacts on Collective life :-

1) Faith of Hereafter Promote Social Justice and Equality

The expectation of divine justice and equality in the Hereafter life has open the path of justice in this world. Islam provide eternal concept of justice in the court of Allah. The equality and justice treat as a reward in the world.

2) Faith of Hereafter Encourages Social Responsibility

Belief of Here^{after} is the bedrock for human because those ~~good~~ do acts for humanity, they will go beyond the bedrock into the heaven. The acts of charity or serve to humanity is the shortcut to heaven.

3) Faith of Hereafter Curbing Corruption and Injustice

The fear of punishment in the Hereafter serves as a deterrent against corruption and injustice and promoting fairness.

Conclusion :-

The Quranic argument of Hereafter is the evidence that life exist beyond earth. This life is real and eternal. The belief of Hereafter has significant impacts of individual life and collective life.
