

where is the reference of the main passage???????

Struggle to Control Netmeg Trade.

In 1511, the Portuguese captured the netmeg producing island of Malacca. From there, they supplied netmeg to Europe. It was a portable and durable commodity. Thus, its demand increased. Keeping an eye on the high demand of netmeg, later on Dutch also conquered this land and built an extensive trading system till 17th century.

word Count 53.

there is no reference or image of the main passage
so grammar and sentence structure will be assessed
write total words too
basic grammar needs improvement
sentences need a more clear meaning
need improvement
