Topic: Flaws in Modern education Thesis

According to ^{the} author, educationists there is no sense of the sentence
adverse approach towards participation
 into children but enjoy their company.
 If one ~~likes~~ ^S children like people like
~~pets~~ incorrect interpretation they will be more loyal. Besides,
 children have no desire for social
 and political achievements. ~~but selfless.~~
 Unfortunately, ^{are} teachers also over-burdened
 these ~~are~~ days and cannot maintain
 natural liking for children. Teacher's
 interactions with children should not
 exceed two hour a day. Dealing
 with children without ~~that~~ strict
 discipline is timecon as this causes
 obvious imitation despite teachers
thesis self-control cannot evolve
 the feelings of friendliness. In this
 way, the input provides guidance
 where the rules cannot replace love
 and affection
