

~~Aspects of culture in human society.~~

there are

Two main aspects of culture in human societies; formal and ideological. Social culture is a reflection of ideology and both are innate. They ~~are~~ changed with the society. ~~Cultural, political and economic, cannot be solved with joining the society. Cultural problems of developing countries should be solved in the light of broad ideas. These problems are barriers to growth.~~

incorrect interpretation of the main passage

~~Non democratic system, colonialism, imperialism, breeds them.~~ breeds what???

No doubt ~~European imperialism caught up Asia, Africa and Latin American from sixteenth to nineteenth century. Some adopted feudal culture and others tribalism. These stopped social and cultural development.~~

no need to tell about all write a general sentence

Despite highly intellectual ~~at these~~ ~~to~~ elite class. Primitive had limited ~~nothing~~ intellectual. Feudal and tribal societies were engaged in ethnic

main idea is picked but you are unable to explain in your own expression there is no coherence of the sentences and there is no clear meaning of the content

M T W T F S

Common people think that the laws of a country and individual liberty are opposite to each other. ~~It does not seem to be wrong.~~ Apparently, it does not seem to be wrong. Every law imposes some sanction on the citizens. If laws in a country are great ^{great in number then} many, collective restrictions are also ~~more~~ ^{more}. Individual freedom ~~is smothered up~~ ^{is smothered up} due to ~~many restrictions~~ ^{contrarily} ~~unlike~~, if laws are less in numbers, the orbit of freedom of citizens is broadened.
