

Kissinger's death ~~is~~ ~~controversial~~ created
polarized ~~the~~ situation. Some people are
~~appreciating~~ his legacy and others are calling
it "controversial"

Kissinger had been secretary of
the United States and former
US National security officer.

Some people are doing whitewash
to the atrocities that ~~had~~ were

caused by him. Kissinger is responsible for millions of atrocities. This was the man who put efforts to contain the Soviet union and communist influence over the world. He introduced "Bombs over diplomacy" policy to push up some brutal bombing ~~campaigns~~ during modern ~~war~~ history. Campaigns

Kissinger approved military assault clandestinely without Congress being informed. He allowed to drop dozens of bombs in Cambodia within the first year of campaign. All in vain this bombing ~~helped~~ aided the Cambodian communists to take power in Cambodia.

For his role in South Asian war he was awarded Nobel Prize in 1973. This peace award was

and victims
a slap to foes of Kissinger

US
In 2016 President Barack

Obama expressed the
regret for being the part
of Dirty war in Argentina.

After two months of expression
of regret, a Distinguished public
Service Award was given to the
architect of bloody policies applied
during war.

Kissinger also allowed military
assaults, when there was ^{in South Asia}

large India-leaning cause the
Pakistan to collapse. a US

ally ~~allowed~~ ~~made~~ supported
Islamabad ~~as~~ its military

was causing huge genocide of
"Bengalis" that were part of
"East Bengal" which is now
"Bangladesh".

ible

Kissinger is also responsible for peace damage in Middle East. He vandalized the proposal that came from Morocco to settle the peace between Israel and Arab countries.

There are no such mistakes atleast in this paragraph
