

A step towards rectification:

The Supreme Court of Pakistan has decided to look back into the highly controversial verdict upon the request of former President Asif Ali Zardari. The verdict which is decades old but ~~is imperative~~ <sup>in its significance.</sup> Yes, it's the verdict that ~~caused~~ <sup>led to</sup> the hanging of former Prime Minister and President Zulfikar Ali Bhutto, under the watch of Zia-ul-Haq. The apex court's decision is a step towards establishing its authority in the eyes of its ~~people.~~ But, this task is ~~very daunting~~ <sup>very delicate</sup> and as delicate in its nature.

You can further improve by adding more of political expressions

This is an conditional clause....  
Eliminate which or write another clause

Rephrase it..... You need to resort to ~~academic style~~
