

Being Humans is Overlooked in Our Pursuit of Being Demigods

Outline

1. Introduction:

Thesis Statement: Humans have forgotten the real purpose of being humans for the sake of power. Violations, wars, cruel politics, unheard cries of sufferers and declining human development indicators present a bleak picture of vested interests of a few demigods over the dead bodies of other poor human beings.

2. Greed for Power Has Replaced The Real Purpose of Humanity

3. How is Being Humans Overlooked in Pursuit of Being Demigods?

a. Human is ~~is~~ treating other human: As a ~~tool~~

b. Powerful humans: Treating poor as a slave

c. Lack of empathy for others

d. Powerful Superpowers: Inflicting harm to weaker nations

e. Race of arms: Is suffocating suffering souls

f. Mightier humans emitting excessive Carbon: Left vulnerable humans alone

- g. Powerful and rich people wasting food: While other half is starving to death
- h. Few demigods planning to Revolutionize the world: While majority is begging to stop
- i. Accelerating extremism and sectarianisms: Vanishing altruistic nature of humanity
- j. Half humanity dying of Thirst: Other half busy in ocean politics
- k. 'Us' versus 'them' ideology: Eroding very nature of humanity
- l. Fight for global dominance: Not giving people to heal their scars
- m. Plethora of domestic violence cases: Stain on faces of demigods

4. What World can Do to Avert the Influence of Demigods?

- a. Gift of greatness is responsibility
- b. Showing empathy for fellow being
- c. Lending a helping ^{hand} to poor
- d. Nations stands only when humanity stands

5. Conclusion
