

① "It matters not what someone is born, but what they grow to be." Day: MTWTFSS

Date: \_\_\_/\_\_\_/20\_\_\_

## INTRODUCTION

Attention Grabber: "It is never too late to be what you might have been;" (George Eliot). This quote emphasizes on the idea of potential within individuals to achieve what they are determined about regardless of their past journey and circumstances, without doubting their self-worth. Somehow, personal growth is linked to a strong mindset, as it pushes individuals to step out of their comfort zones and hustle for their ambitious goals."

It is good
