_	Trace how the strategic management has
1	evolved. Also discuss the opportunities and
1	constraints on collaborative approached to
ļ	an appertive strategy development and
	its or implimentation. The for soverido
	corporates a doption of terrain
1	De Introduction sollo los Espisosa
	Globalization has totally changed
	the policy proming deployment implementation
	and evaluation methods. Marold Lasswell
-	was pother first man who formalized the M
-	policy planning processes as inclustrial
	sevolution came with alot of social and
-	ewnomic problems: Therefore the need for
0	Strategic planning Jett. Hence, merry stake-
	holders get involved in this process.
-	The collaborative approach of am affaire
	Stategy management Helds many
	positive jautors like data cultection, pd
	souro-economic perspectives of policy etca
	on the other hand lack of auvurtability
	delays and entravagence are some of
0	ils inegative imparts of prince
	2: What is Strategic management?
3	Strategic managoment is the

combination of two words; 84a tegy	SWOT analysis
and management	or no flex
"Strategy is the long-term	15t out be
determination of goals and	(b) Strategic
objectives of the organization and	(b) Strategic with
corporate, adoption of cortain	V
measures and allocation of resources	Quade i
too accomplish the goals."	ewnomic
Alfred chardler. Tro	population
